

Mission statement:

The Pitzl & Pitzl Children's Fund was established in January 2010 to provide assistance to children and families in need; primarily due to hardship or medical problems. The organization will host events and solicit contributions from businesses and individuals and distribute funds raised to children and families in need.

APPLICATION PROCESS

- **Do you qualify?** Please outline how your needs apply to the mission statement of our charity and complete the attached contact information form.
- **How do I submit the application?** Fax, mail or email your application to Nikki Moore (see contact below).
- **What happens after my application is received?** We accept and review applications throughout the year. Each application will be reviewed and evaluated to determine whether funds or assistance can be given. *Please note this process is competitive and we are not able to fund every request.*
